the perfect gift

Sleek ifidelity audio accessories make excellent gifts, with retail-style packaging to match. Each comes with a slate-colored two-piece box that makes a great impression even before you get a look at what's inside.

headphones

With big padded ear cups, ifidelity headphones offer both high-end performance and a comfortable fit.

noise reduction

Active Noise Cancellation reduces unwanted sound by producing a second sound that cancels the first. The benefit? The ability to enjoy music in noisy environments like an airplane without having to turn up the volume.
